Special Officer Lincoln Cochran captured Frank Murry at Montes, in Randolph County last Monday morning after a race of a couple of hundred yards. Murry saw the officer coming up the railroad track as he was going for a bucket of water and recognizing him started to run. He took to the water like a duck but Cochran proved more fleet of foot than Murry and overtook him after a short time. Murry was serving a jail sentence here when he made his escape. Mr. Cochran also brought in Charles Thurn, alias Cam Thoru who was captured at Elkins by the Chief of Police Wednesday. There are about 30 indictments against Thurn for selling whiskey.

It is reported that Mr. L. S. Cochran will shortly make his announcement and enter the race for Sheriff of Pocahontas county. Mr. Cochran comes from the Levels District and will make a number one sheriff. Pocahontas county has been greatly handicapped at times on account of not having efficient officers to serve papers, and Mr. Cochran has showed his metal as special officer and Deputy Assessor that the people know when Lincoln is called on to do a service he is always there with the goods. The Republicans could not name a better man.

Cochran A Candidate.

Nothing gives us more pleasure this week than to announce the candidacy of L. S. Cochran for the office of Sheriff of Pocahontas county. Mr. Cochran is a successful business man; has never shirked duty when called upon to perform a public service and it goes without saying that he will make a number one sheriff. Since "THE NEWS" mentioned the fact last week that Mr. Cochran would be a candidate, he has received encouragement from practically all the leading Republicans of the county to announce himself and it is not likely that he will have any opposition for the nomination.

ANNOUNCEMENT.

To the Republican Voters of Pocahontas county.

I hereby announce my candidacy for the office of Sheriff of Pocahontas county. The decision of the primary to be held

Allen and Edwards Really Through
Prohibition.

That Sidney Allen and Wesley Edwards were in Prohibition County seems to be confirmed by Mr. H. Seaver, of Edray, who was acquainted with the men while he lived in Virginia. Mr. Seaver says the men met him in the road near his place, each carrying a Winchester rifle and were named to the teeth and they know him and he invited them to dinner, but they refused saying there was a reward out for them, and they could not afford to take a meal even with an old acquaintance. Both men are still traveling together and expect to sell their lives at the highest price possible if compelled to do so.

State Ratification Convention to be
Held at Clarksburg June 11th,
12th and 13th.

Delegates from every county in the State have been selected to attend the State Convention of the Ratification Federation, which will be held in Clarksburg, June 11th, 12th and 13th.

This convention is in the interests of the campaign for the ratification of the Prohibition Amendment and is non-partisan in its character. The Prohibition Party has nothing to do with the Convention any more than the democratic or republican party. It will be composed of delegates representing all shades of political belief.

The program will be an ex-
